Recruitment

This committee will be an extension of the Membership Committee to attract potential members and increase membership in FREA. Members will work with Membership Chair, Jody Scruggs, to share charts and brainstorm and research unit and district data. The committee's role will include developing outreach strategies, identifying potential recruits and reclaimers (Reactivating closed units and revitalizing struggling units) while focusing on proven methods for retaining our current membership (Recruit, Reclaim, Retain). Committee members will create appropriate materials and **innovative** and fun filled activities to support the recruitment process.

Safety and Security

This committee's purpose is to identify potential hazards or security risks related to FREA activities. Identify solutions to mitigate such risks and develop safety policies and procedures. The committee may also conduct safety audits, provide safety training to members, and monitor compliance with safety regulations. The committee's goal is to maintain a safe and secure environment for FREA and its members. *Ex.: In the event of any type of emergency during Conventions, Symposiums, or Board Meetings, what course of action should be taken? A generic evacuation plan will be developed.* We will always be prepared.

Medical

Is there a Medic in FREA?

This Committee will serve multiple purposes, including:

1. Providing health education and information to members: The committee may organize seminars, workshops or other events to help FREA members stay informed about health-related issues.
2. Coordinate health-related activities: This committee may organize health camps, blood donation drives, health walks or other activities to promote healthy living among members during Conventions or Post Symposiums.
3. Address FREA members' health concerns: Members may approach the committee for guidance on health matters, and the committee may provide advice or refer them to qualified experts.

Overall, the purpose of this committee is to ensure the well-being and health of members and support them in leading a healthy and happy life.
