

FREA Convention

May 20–22, 2025

Save the Date

A vibrant, stylized illustration of a coastal scene at sunset. The sky transitions from a deep blue at the top to a bright orange and yellow near the horizon. A large, glowing sun is partially obscured by palm tree fronds on the right. A sailboat with a dark sail is on the water, its reflection visible. In the background, there are several buildings, including a prominent one with a red roof and a tower. Palm trees are scattered throughout the scene. The water is calm, reflecting the colors of the sky and the buildings.
